Using this catalog

The Greater Salina Community Foundation has created this catalog to help you make wishes come true for the nonprofit organizations that serve our community day in and day out. The following pages contain information about each participating nonprofit organization as well as a wish list.

You'll find their needs vary from boxes of crayons or cleaning supplies to new furnishings and electronics. Whatever your ability to help- you'll find a need. Contact information for each agency is listed, so you can contact them directly with questions or more information on how to make a wish come true!

Great for Families...

Give each child or grandchild a budget and allow him or her to select an organization to shop for. Select items from the catalog and deliver them to the organization with the child.

Select an organization that your family can "adopt" for the holidays. Shop together for items from the organization's wish list and deliver them as a family project.

for Office Groups...

Collect contributions from coworkers and jointly select an agency that you can shop for. Purchase and deliver the items as a holiday office project.

Select an organization and purchase items from the wish list. Give the items in the name of a colleague in lieu of a gift exchange.

for Youth Groups...

Use the catalog to determine nonprofit organizations that could benefit from your youth-group project. Have members collect smaller items or pool resources to purchase larger items and deliver them to the nonprofit as a holiday giving project.

What is the Greater Salina Community Foundation?

A permanent collection of funds designed to link donors with charitable causes, the Greater Salina Community Foundation promotes and supports charitable giving by assisting individuals, families and organizations in the creation of charitable funds; building resources to provide for unmet community needs; making grants to charitable causes and providing a platform for the long-term development of non-profit organizations and smaller neighboring communities.

Together with donors, the Foundation works to enhance all areas of life including, but not limited to, education, environment, civic and human services, health care and the arts.

The Greater Salina Community Foundation was incorporated in 1999 and has grown in assets to more than \$43 million. The Foundation manages approximately 250 funds including scholarships, donor advised funds, designated funds, unrestricted funds and organizational endowments. The Foundation also has eight affiliate foundations: Smith County Community Foundation; Catholic Community Foundation of the Diocese of Salina; Smoky Hills Charitable Foundation, serving Ellsworth County; Russell County Area Community Foundation; Community Foundation for Cloud County; Smoky Valley Community Foundation, serving the Lindsborg area; Republic County Community Foundation; and Heartland Community Foundation, serving west central Kansas including the counties of Ellis, Trego, Rooks and others. The Foundation has made more than \$15,000,000 in grants since its inception.

How does the Foundation work with local charities?

This catalog is one of many benefits the Foundation offers to local non-profit organizations. All charities that have funds in the Foundation were invited to participate in this year's catalogue.

The primary work of the Greater Salina Community Foundation with local charities is to create permanent endowments that will provide ongoing financial support to the charity for years to come. Contributions of any size are welcome additions to these organization endowments and can be sent to the Foundation at P.O. Box 2876, Salina, KS 67402-2876. The Foundation will deposit your gift in the fund of your choice where it will grow the endowment and provide a permanent source of income for your favorite charity or charities.

In addition to our primary work as the endowment arm for local charities, the Foundation also provides quality educational workshops on topics such as fundraising, board development and leadership. The Foundation also supports local nonprofits through our grant making. Twice a year the Foundation takes applications for our Fund for Greater Salina Grants. Throughout the year, the Foundation offers Seize the Moment Grants, Continuing Education Grants and Technology Grants.
